Dumpster Services

10/20/2023

Greetings City of Newaygo!

American Classic has recently been granted the right to exclusively service the City of Newaygo for all residential trash and recycling. We are a local, family-owned and operated company. We have been providing waste and recycling services for twenty years in the West Michigan area. We believe our rates, professionalism, and service are second to none. Thank you for the opportunity to serve you!

Service in your area will start January 2024. Service day for Trash and Recycle will be on **Thursdays**. Please have the tote out by 4am Thursday morning. Holidays will push back your pickup day depending where they fall. First service day will be pushed back to Friday, **January 5th**. Second pickup will be January 11th trash only. Given the transition for services here are a few options:

- We have a link to sign up on our website: <http://www.americanclassic.us/dumpsters>
- Call us at 231-834-7330 to get signed up
- You can pick up a paper signup sheet from the City Hall or our location in Bailey.
- You can buy bag tags to tag your own garbage bag for pickup - We will trade out any Republic bags with tags up until January 12th.

Please contact us with any questions!
