

CITY OF NEWAYGO
RENTAL AGREEMENT AND PERMIT APPLICATION
FOR CITY OF NEWAYGO PARKS

An application for a permit to use any City park must be made on this form and filed at City Hall. No use can occur until and unless the City issues a permit. Loomis Lodge and Shaw Park are separate park facilities and must be applied for separately unless the use of both is requested for the same time period. This application for a permit to use Loomis Lodge, Brooks Park or other park facilities must be filled out in its entirety. The use of a City park, other than Loomis Lodge, will require approval by City Council. Council meetings are held the second Monday of every month. This application must be turned in at least four weeks prior to any Council meeting if it is to be acted upon by City Council regarding Brooks Park and two weeks prior for all other parks offered for rental. Failure to do so will cause a decision by City Council to be delayed until the next regularly scheduled meeting.

1. A \$_____ damage and cleaning deposit payment in the form of a cash paid to the City of Newaygo (the "City") is required upon issuance of the permit. Should alcohol be requested, an additional deposit fee of \$300 will be required and an insurance rider as specified below.

- All monies will be refunded in full if the event is cancelled prior to 30 days in advance of the approved date of the event/function.
- The deposit will be refunded in full if after the use the facilities are not damaged and are clean to the satisfaction of the City and all other applicable costs (if any) have been reimbursed to the City. With regard to Loomis Lodge, you will not receive your deposit if there is any damage or the lodge is not cleaned according to the checklist.
- If the event/function is canceled less than 30 days prior to the approved event/function date, no rental fee will be refunded.

2. The City assumes no responsibility for any loss or damage to items of personal or corporate property suffered by the permittee or to or by any person in attendance at an event/function. Permittee (and the permittee's guests and invitees) uses the City park or facility involved at his/her/their own risk and they release the City (as well as its employees, officials, officers, and agents) for and from any and all liability, claims, causes of action, costs, attorney fees, damages, and similar matters regarding or arising out of use of the City park or facility involved or any activities, events, or problems which arise in relationship thereto. Valuable or rare items should be insured or guarded by the permittee. The City assumes no responsibility or liability for any item(s) left on the premises.

3. Permittee shall release, indemnify, hold harmless, and reimburse the City (as well as its officials, officers, employees, and agents) for, from, and against any and all injury, liability, damages, costs, attorney fees, causes of action, or similar matters which might arise out of, be caused by, or be related to the use of the City park or facilities involved by the permittee (or the permittee's invitees or guests).

4. The permittee shall be responsible for any and all damage to the lodge or any of the park facilities. The permittee will be responsible for loss of or damage to the facility or any of the park's equipment, decorations, fixtures or other property owned or controlled by the City or any other party. The permittee shall be responsible for the repair or replacement costs of any and all damaged or lost City property.

5. If the permittee plans to serve alcohol or if alcohol is going to be present at the function/event, an insurance rider is required along with separate authorization from the City. It is possible that this portion of the permit will be denied as alcohol use on City property is considered separately. The insurance rider must be submitted to the City a minimum of 30 days prior to the event or the event will be cancelled. See the separate sheet for additional information regarding the required insurance rider. In addition to the regular deposit fee, an additional \$300 deposit fee is required when requesting alcohol at Loomis Lodge.

6. The person renting Loomis Lodge must be the applicant, provide a copy of a driver's license or state id, pay the rental and deposit fees and pick up the key. If alcohol is requested, the person renting Loomis Lodge must have the insurance rider in their name.

7. If alcohol is not requested or approved and the City finds out that alcohol was on site during your event, you will lose your entire deposit fee and will not be allowed to rent City Parks in the future.

8. All rules for the Loomis Lodge and the City's parks are to be strictly adhered to at all times. The permittee agrees to act in a responsible manner and to provide reasonable supervision to assure that the rules and permit conditions are followed by all persons in attendance. Please be aware that cameras are in use at Loomis Lodge. Refer to park rules for circumstances that require the permittee to provide restrooms and changing rooms.

9. The City shall have the right to enforce the restrictions and provisions of this Agreement by filing a lawsuit in the Newaygo County Circuit Court or other court having jurisdiction at the time. If the City seeks to enforce or interpret any provision of this Agreement and prevails in court in whole or in part then, the City as the prevailing party shall be awarded its actual attorneys' fees and costs. In no event, however, shall attorneys' fees or costs be assessed against the City.
